

AGELESS

total resurfacing masque

product

A micro-exfoliating masque with alpha hydroxy acids that resurfaces and rejuvenates the skin. Lightens, brightens and leaves skin feeling ultra-smooth. Can be mixed with any Image cleanser for additional exfoliation. Paraben free.

skin type

Aging, oily, acne/acne-prone, sun damaged/hyperpigmentation.

benefits

An exfoliating blend of hydroxy acids and micro crystals resurfaces the skin, gently sloughing off dead cells. A lightening blend diminishes brown spots. This is a true at home mini peel!

directions

Apply a thin layer to entire face for 5-30 minutes. Wet hands and massage for 1 minute. Remove any excess masque with warm water, followed with a cold splash. Use 1-3 times per week.

pro tip

Mix with any IMAGE cleanser for additional exfoliation as a power cleanse.

key ingredients

17% Blend:
