

VITAL C

hydrating A C E serum

product

An advanced polypeptide/antioxidant formula of Vitamins A, C, E to promote hydration and reduce signs of aging. Paraben free.

skin type

Inflamed, aging, dry/dehydrated, post-peel/post-operative, oily/acne

benefits

Super anti-aging and hydrating serum that provides ultra-nutrition for the skin. Can be used to boost all Image products for super nutrition and moisture.

directions

Apply generously to cleansed skin. Use morning and evening.

pro tip

Mix a pump of the MAX™ stem cell serum with a full dropper of the VITAL C hydrating ACE serum; prevents and reverses damage.

key ingredients

20% Blend: Vitamin A Vitamin C Vitamin E	Potent antioxidants Stimulate cellular turnover, protect against free radical damage and nourish
BV-OSC (tetrahexyldecyl ascorbate)	A stable Vitamin C ester, antioxidant; whitening; accelerates collagen synthesis up to 50% better than L-ascorbic acid
Polypeptide Complex: Amino acids (molecules of peptides) Valin, leucin, arginine, tyrosine, lysine	Improves immune function Reduces healing time of injuries Quickens repair time of damaged tissue Clinical research confirms that peptides, when added to a culture of fibroblasts (key skin cells), can stimulate collagen, elastin and glycosaminoglycan production
Green tea (camellia sinensis leaf extract)	Anti-inflammatory
Gotu kola (centella asiatica extract)	Antioxidant; improves circulation
Meadowsweet (spiraea ulmaria flower extract)	Anti-inflammatory

available

• .5 oz retail
