

BODY SPA

exfoliating body scrub

product

Buff your skin to perfection with this high performance body exfoliator. A dual exfoliating system with walnut skin-refining beads for a progressively polishing action, and almond oil moisturizing beads with encapsulated Vitamin E. Buffs away dry, dulling surface cells without disturbing the skin's natural pH balance. Helps improve natural cell turnover leaving the skin looking radiant and feeling smooth. Paraben free.

skin type

All skin types, pre-self tanner, flaky/dull.

benefits

High performance pharmaceutical body polish that exfoliates dead skin safely and improves cell turnover, while nourishing and hydrating the skin. Prepares skin for body treatments and tanning products. Great to use as a daily anti-aging body cleanser.

directions

Massage for 2 minutes on damp skin. Rinse thoroughly. Use daily to exfoliate and rejuvenate skin.

pro tip

Use during a pedicure to exfoliate the legs and feet.
