

the MAX™

stem cell crème

product

This revolutionary night time crème delivers unsurpassed antioxidant properties to skin. New stem cell technology derived from herbaceous alpine plants supports natural skin defense mechanisms. Contains a maximum concentration of peptides to smooth wrinkle formation due to facial expressions and to support collagen regeneration. The MAXimum benefit is achieved through a high concentration of botanical ingredients without the use of chemical preservatives or fillers. Formulated to regenerate skin and support natural defense mechanisms.

skin type

Aging, dehydrated skin, lines and wrinkles due to facial expressions, compromised skin due to environmental damage.

benefits

Break-through combination of multiple plant-derived stem cells for Age Later™ results. This crème repairs cell damage, protects against free radical damage and provides nutrition to the skin. Corrective peptides relax facial expressions reducing formation of wrinkles. Natural marine plant-based tightening complex that smoothes the skin and leaves it more radiant-looking.

directions

Apply and massage into skin on face, neck and after cleansing for evening repair. Can be used every day for maximum benefits.

pro tip

Blend with AGELESS total pure hyaluronic filler for an immediate boost of hydration.

key ingredients

CORRECTION	Acetyl hexapeptide-8 (Argireline®)	BOTOX®-like inhibition of pre-synaptic muscle contraction, relaxes muscles of facial expression
	Palmitoyl tripeptide-38 (Matrixyl® synthe'6™)	Wrinkle filler promotes collagen production, 28% lifting effect, 31% reduction of wrinkle volume in subjects
	Palmitoyl tripeptide-1 (SYN®-AKE)	A messenger peptide for collagen renewal, retinoic acid-like activity without irritancy, in vitro collagen stimulation by 350% and stimulation of glycosaminoglycan synthesis by 146%
	Acetyl octapeptide-3 (SNAP-8™)	Modulates muscle contraction thus preventing the formation of lines and wrinkles that are caused by repeated movement
PREVENTION	Vectorize-Technology™ (anti-aging complex)	Unique complex of active ingredients delivered into skin in a sphere. Prolonged effectiveness and deeper penetration into skin. Time-released up to 48 hours.
	Plant-derived stem cells (4 strains): -Malus domestic fruit cell culture -Vigna radiata extract -Leontopodium alpinum meristem cell culture -Argania spinosa sprout cell culture	An exclusive complex to combat and prevent aging effects on the skin 1. Positive effect in vivo on human stem cell growth 2. Protective effect against UV damage on human stem cells 3. Protection against oxidative stress, protects DNA 4. Anti-wrinkle effect when wrinkle depth measured
	Roxisomes	Compensates nutritional imbalance of cells. Accelerates the reconstruction of damaged skin; synthesis of growth factors, which are tissue repair mediators
	Photosomes	Helps to protect the DNA damaged by oxidative stress
	BV-OSC (tetrahexyldecyl ascorbate)	Reduces damage from sun exposure
NUTRITION	REGU®-AGE PF (glycine soja protein)	Oil soluble stable form of Vitamin C. Brightening, tightening and antioxidant capacity
	Actifirm® TS (centella asiatica extract, echinacea extract)	Improves and protects microcirculation and the integrity of the collagen and elastin bundles, minimizes inflammation
	Vitis vinifera (grape seed) extract	Reduces inflammation, natural botanicals that firm skin
	Skintightener® ST (macrocyctis pyrifera extract)	Antioxidant, moisturizing, nourishing properties due to high levels of linoleic acid, contains Resveratrol (potent antioxidant)
	Skintightener® ST (macrocyctis pyrifera extract)	A natural plant and marine based tightening complex that smoothes the skin making it more radiant looking

available

- 1.7 oz retail
- 5 oz professional
- .25 oz sample

ingredients

AQUA, GLYCERIN, MALUS DOMESTICA FRUIT CELL CULTURE EXTRACT, LEONTOPODIUM ALPINUM MERISTEM CELL CULTURE, VIGNA RADIATA EXTRACT, ARGANIA SPINOSA SPROUT CELL CULTURE EXTRACT, CAPRYLIC/CAPRIC TRIGLYCERIDE, SUCROSE PALMITATE, GLYCERYL STEARATE, BUTYLENE GLYCOL, PHOSPHOLIPIDS, VITIS VINIFERA SEED EXTRACT, ALGAE EXTRACT, MACROCYSTIS PYRIFERA EXTRACT, PLANKTON EXTRACT, ARABIDOPSIS THALIANA EXTRACT, IMPERATA CYLINDRICA ROOT EXTRACT, CENTELLA ASIATICA EXTRACT, ECHINACEA PURPUREA EXTRACT, DIPEPTIDE DIAMINO BUTYROYL BENZYLAMIDE DIACETATE, SPIRAEA ULMARIA ROOT EXTRACT, PALMITOYL TRIPEPTIDE-1, GLYCINE SOJA PROTEIN, TOCOPHERYL ACETATE, LECITHIN, PALMITOYL TRIPEPTIDE-38, ACETYL HEXAPEPTIDE-8, TETRAHEXYLDECYL ASCORBATE, HYDROXYPROPYL CYCLODEXTRIN, PALMITOYL TETRAPEPTIDE-7, ACETYL OCTAPEPTIDE-3, GLYCINE SOJA STEROLS, GLYCERYL POLYMETHACRYLATE, HYDROLYZED RICE PROTEIN, ISOMALT, DICETYL PHOSPHATE, LINOLEIC ACID, HYDROLYZED WHEAT PROTEIN, XANTHAN GUM, CETETH-10 PHOSPHATE, CAPRYLYL GLYCOL, STEARIC ACID, PULLULAN, SUPEROXIDE DISMUTASE, PALMITOYL OLIGOPEPTIDE, SODIUM DEXTRAN SULFATE, BIOTIN, PHENOXYETHANOL, PPG-12/SDMI COPOLYMER, PROPYLENE GLYCOL, POLYSORBATE 20, CARBOMER, PVP, SODIUM BENZOATE, CITRIC ACID, POTASSIUM SORBATE, DISODIUM EDTA, TETRASODIUM EDTA, ETHYLHEXYLGLYCERIN, HEXYLENE GLYCOL.
