

VITAL C

hydrating water burst

product

A lightweight, transformational gel texture formulated to burst into intense hydration. Upon application, it releases a flood of antioxidants, hyaluronic acid, vitamins and peptides to provide a youthful, radiant, healthier-looking complexion. Physician-formulated. Paraben free.

skin type

Dry or dehydrated skin; sensitive or irritated skin; post-treatment use.

benefits

Upon application, this innovative gel formulation transforms and releases a flood of antioxidants, hyaluronic acid, vitamins and anti-aging peptides to provide a youthful, brighter, healthier-looking complexion. Smooth expression lines and combat signs of aging.

directions

Use a cherry-sized amount and vigorously massage into skin to activate the release of key ingredients. Apply to skin in the morning and throughout the day for a burst of hydration.

pro tip

Chill for a cool burst of hydration on post-treatment, sensitive, inflamed and irritated skin.

key ingredients

Water burst technology	Advanced emulsion technology, a formulation packed with active ingredients that break into water droplets when rubbed into the skin providing a shower of antioxidant and hydrating benefits
Hyaluronic acid	Hydrator; binds 1000 times its weight in water
Magnesium ascorbyl phosphate	Water soluble, stable derivative of Vitamin C; boosts skin collagen synthesis, suppresses melanin formation
Citrus aurantium dulcis (orange) peel oil	Energizes skin, increases skin vitality and glow
Tocopherol (Vitamin E)	Powerful antioxidant
Acetyl hexapeptide 8	Reduces the appearance of facial expression wrinkles by inhibiting muscle contraction
